Local Ramps: Route 54, Route 26, Ocean Pines, Route 24 up to Long Neck Road. There is a minimum charge of \$35 (extra) for other ramp locations (i.e. Ocean City, Lewes, Indian River). Blocking of pontoon boats in alternate local locations is an additional \$50. Blocks are NOT supplied.

*\* All pricing is subject to change due to fuel prices and/or unforeseen economic circumstances*

### TRAILER NOTE:

If we haul your boat on your trailer, it must be in good working order and have current tags & registration, before we can transport.

## HULL PRESSURE WASHING

(Includes hoisting boat off trailer)

- Pontoons & V-Bottoms - up to 25' \$95
- Tri-toons & V-Bottoms (over 25') \$110

NOTE: This is not a cleaning of your entire boat. It cleans only the scum line off the outer hull or bottom so it can be repainted in the spring.

ON/OFF CLEANER (to remove stains on unpainted hulls above or below the waterline) is a \$60 minimum and is added to pressure wash charge upon request. Cleaning of barnacles or excessive growth is subject to additional labor charge.

## WINTERIZATION OF WATER SYSTEM

- Per System - Raw or Fresh \$65  
(Labor Only - Antifreeze or Parts Additional)
- Winterization of Holding Tanks  
Generators, A/C Systems, etc... Priced per job

**WE DO NOT PUMP OUT PORTA-POTTIES OR HOLDING TANKS. THESE MUST BE EMPTIED BEFORE ARRIVAL**

**YOUR BOAT IS A LARGE INVESTMENT. DO NOT TRUST YOUR INVESTMENT TO A NON-CERTIFIED TECHNICIAN OR SKIMP ON PROPER RECOMMENDED MAINTENANCE!!**

## WINTERIZATION

Winterization is strictly preventative maintenance for the winter months and is not a cure-all for ANY engine problems you may be having. **We recommend that your boat be stored with the FUEL TANK FULL. We DO NOT fill gas tanks at Spring Delivery or Fall Haul-out.**

## OUTBOARD ENGINES

(Prices are LABOR ONLY - Parts are Additional)

- 2-Stroke under 40 hp \$159
- 2-Stroke 40hp and over \$210
- 4-Stroke Engines (All) \$259
- \*\*Optimax \$259

Includes: Flush Out, Fog Cylinders and Compression Test on Carbureted 2-Stroke Engines, Change Engine Oil and Filter on 4-Stroke Engines, Drain, Refill and Pressure Test Lower Unit, Grease Fittings, Pull Prop and Grease Prop Shaft, Grease Steering System, Coat Engine w/CRC, Stabilize Fuel, Replace Fuel/Water Separator (If Applicable), Check/Change Zinc Anodes, Remove Drain Plug, Disconnect Battery(s)

**\*\*Optimax Engines** require a Mercury computer hookup. Full diagnostic check is run, reports are kept on file and available upon request. Fuel supply modules are filled with winter fuel mixture and the on-engine fuel filter is replaced.

### \*\* SPECIAL NOTICE \*\*

Due to the use of ethanol blended gasoline, it is highly recommended that a Fuel/Water separator be installed on every marine application. If your engine does not have a Fuel/Water separator, please contact our service department regarding installation options and pricing.

### !! IMPORTANT !!

Water Pumps & Thermostats should be replaced every 2 years as routine maintenance due to salt water and shallow conditions in our area. Fall is the time to have this done, our busy Spring schedule does not allow time for these services.

**All invoices include a minimum shop supply fee of \$16 and an environmental fee of 4% in addition to the posted pricing.**

**WE DO NOT SERVICE I/O ENGINES OR JET DRIVES**

## SHRINK WRAP

**Mildew Bags are automatically added to shrink wrap (additional \$20 per boat) unless customer declines**

- Shrink Wrap without fixed top/tower: \$20.50/ft.  
(Overall Measured Length)
- Shrink Wrap w/ fixed top/tower: \$24.50/ft. min.  
(Overall Measured Length)
- PWC Wrap \$115/each

*\* Pricing is subject to change due to increasing price of petroleum based products*

**Due to disposal regulations, there is a \$1.50/Ft. fee for shrink wrap removal in the spring**

### \* NOTE: Tarps are Not Permitted on Lot \*

Most canvas covers are not meant for harsh winter conditions and MMC is not responsible for any damage to these covers while in storage. Shrink Wrap is Highly Recommended!

## WINTER STORAGE DATES

**SEPT. 15, 2024 through JUNE 15, 2025**
